RE: Sampling and Analysis Plan for the Source Removal at the Mound Site

Dear Ms. Hill:

We have reviewed the final Sampling and Analysis Plan (SAP) in support of the source removal at the Mound Site dated January 15, 1997. Following consultation with the Colorado Department of Public Health and Environment, we concur that all comments have been addressed, thus approve implementation of this SAP.

We request a copy of the Mound Field Implementation Plan as soon as it becomes available. Please contact Jean Lillich if you have any questions concerning this project.

Sincerely,

Tim Rehder
Rocky Flats Team Leader
